COVID CARE tab

The image shows a screenshot of a website's navigation bar. The bar has a gradient from orange to red. It contains four tabs: 'History', 'Recognitions', 'Team & Support', and 'Covid Care'. A blue arrow points from the text 'Please remove this COVID CARE tab' to the 'Covid Care' tab. Below the navigation bar, the 'Covid Care' content is displayed on a red background.

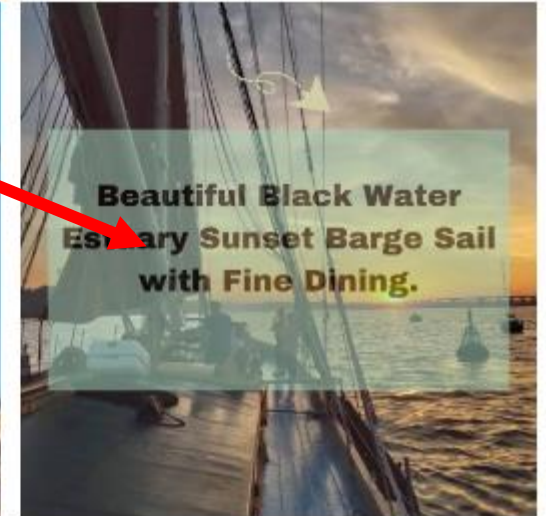

History Recognitions Team & Support Covid Care

During lockdown, we were touched to hear of so many significant acts of kindness, heroism and support for healthcare professionals and for loved ones everywhere. The strength of community spirit seemed ever increasing! This was borne out by the generous donations received for our fundraising initiative 'Losing Dad'. We started this to support the families of black people in the medical profession who had lost their lives through contracting Covid-19 in the course of their work.

We're hoping 2021 will rekindle everyone's desire to travel and see the world. Just getting back to normal will be great – doing ordinary things we previously took for granted! But you'll find what we are offering customers this year is far from ordinary. Lockdown has proved a busy and creative time for Chigwell Tours and we'd like to share with you what we've been doing.

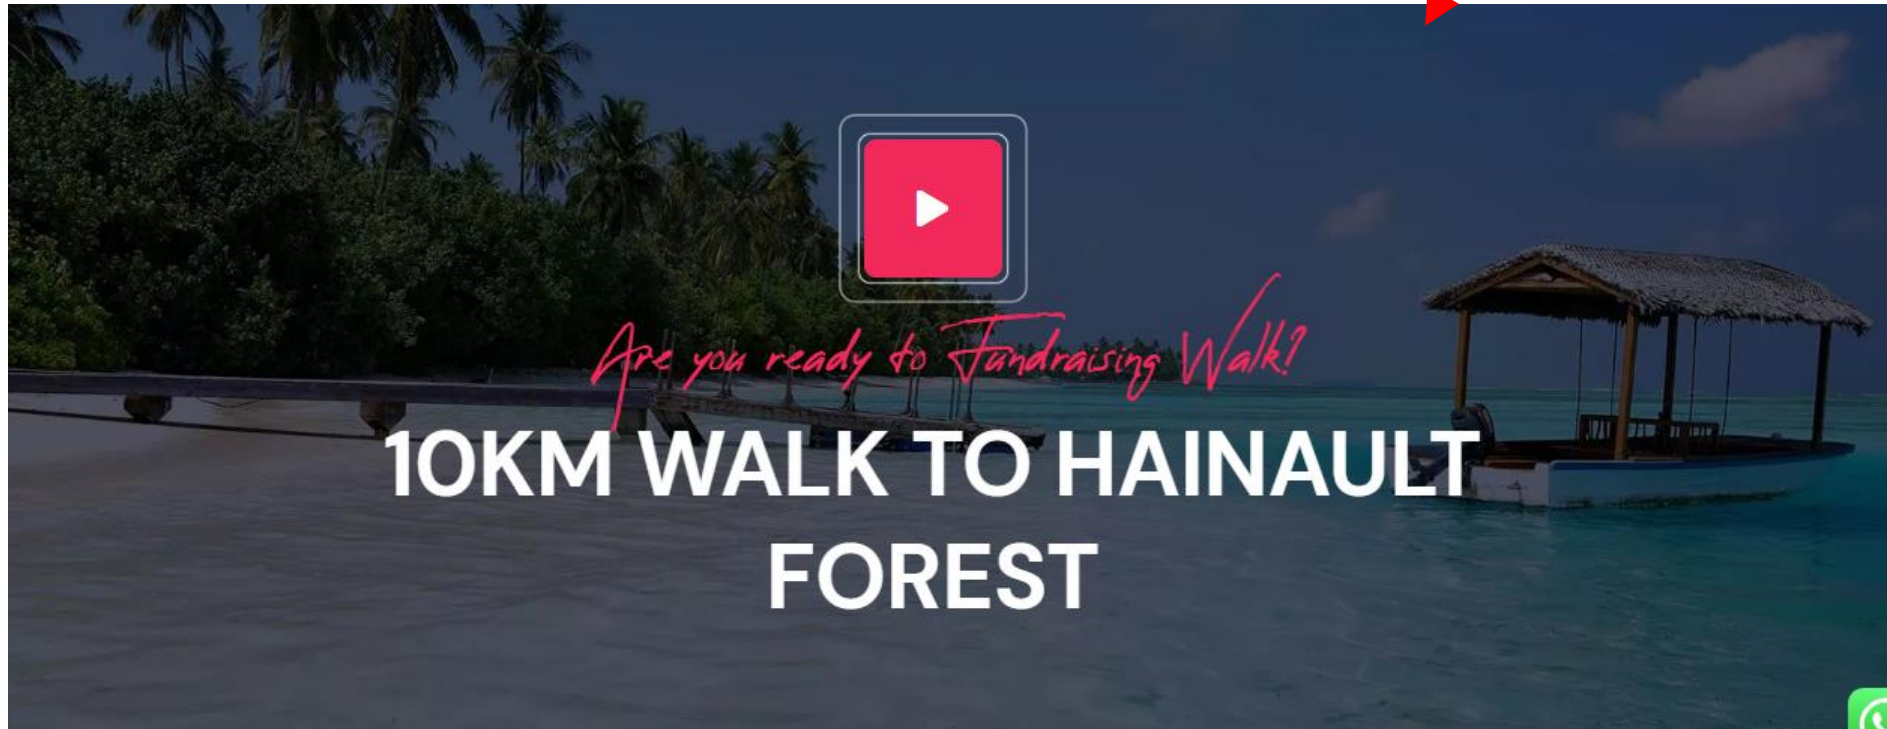

1. We re-thought our concept.
2. We grabbed opportunities, noticing the natural world around us more. Birdsong became louder and the air, fresher! Hainault Forest Country park, on our doorstep, came alive.
3. We developed five new outdoor tours in 300 acres of beautiful woodlands and forest, lakes, making the most of the undulating landscape

It's good that you wrote out the titles in full, but it's not a neat job and doesn't look professional. Please redo and make it neat and let the images be very visible and professional looking

1. The titles of these tours have been changed please write the titles out in full
2. There are 6 tours all together, where is the 6th one?
